Sealed proposals will be received by the Division of Public Works, State of Idaho, at **875 Perimeter Drive, MS 2281., Moscow, Idaho 83844-2281** until **2:00 pm** local time, on **Tuesday, May 10, 2016** for **DPW Project 15251 Administration Building Entry Foyer & Main Stair Renovations, University of Idaho, Moscow, Idaho.**

A description of the work of this project can be summarized to include the restoration of the three story foyer and north stair of the Administration Building on the University of Idaho Campus. Specifically, M/E/P/FP systems will be upgraded, historic finishes restored, and life safety issues will be address in this project. Please note that access shall be maintained through work area (Hallway) during construction so that occupants on the north side of the building have access to the elevator located on the south side. Contractor shall propose a method of access prior to the start of construction.

Submittals and shop drawing reviews and approval to commence upon issuance of Notice to Proceed.

Stage 1: Notice to Proceed will stipulate on-site construction work to begin and completed within fifty-five (55) consecutive calendar days for the north exterior stairs and full fire suppression system.

Stage 2: Substantial completion of remaining work shall be completed within one-hundred and fifteen (115) consecutive calendar days from Notice to Proceed.

Proposals will be opened and publicly read at the above hour and date.
